UNIVERSITY OF NEW MEXICO
OFFICE OF STUDENT FINANCIAL AID
FFELP STAFFORD LOAN REQUEST

Student's Printed Name	UNM ID No.	Date
Telephone No.	Email Address	

IN ORDER TO BE CONSIDERED FOR A STAFFORD LOAN, YOU MUST HAVE A COMPLETE FINANCIAL AID FILE.

Stafford loans are either subsidized or unsubsidized. A **subsidized** loan is awarded on the basis of financial need. You will not be charged any interest until your loan goes into repayment. The federal government "subsidizes" the interest until then.

An **unsubsidized** loan is not awarded on the basis of need, and may be used to replace your Expected Family Contribution (EFC). You'll be charged interest from the time the loan is disbursed until it is paid in full. If you allow the interest to accumulate, it will be **capitalized** -- that is, the interest will be added to the principal amount of your loan, and additional interest will be based upon the higher amount. This will increase the amount you have to repay. If you choose to pay the interest as it accumulates, you'll repay less in the long run.

How much can you borrow?

(The actual amount of your loan eligibility will be determined by the Financial Aid Office, not to exceed the annual loan limits listed below :)
